**DIVINE DIRECTION...  
SPIRITUAL EXERCISES TO  
GROW FAITH**

**WELCOME**

***Christ Be All Around Me***

As I rise, strength of God  
Go before, lift me up  
As I wake, eyes of God  
Look upon, be my sight

As I wait, heart of God  
Satisfy and sustain  
As I hear, voice of God  
Lead me on, be my guide  
Be my guide

Above and below me  
Before and behind me  
In every eye that sees me  
Christ be all around me (repeat)

As I go, Hand of God  
My defense, by my side  
And as I rest, breath of God  
Fall upon, bring me peace  
Bring me peace

Above and below me  
Before and behind me  
In every eye that sees me  
Christ be all around me (repeat)

Your life, Your death  
Your blood was shed  
For every moment  
Every moment (repeat)

Above and below me  
Before and behind me  
In every eye that sees me  
Christ be all around me (repeat)

**SCRIPTURE READING... ISAIAH 43:16-21 (NRSV)**

Read by: Bohdan Hrobon

Thus says the LORD,  
who makes a way in the sea,  
a path in the mighty waters,  
<sup>17</sup> who brings out chariot and horse,  
army and warrior;  
they lie down, they cannot rise,  
they are extinguished, quenched like a wick:  
<sup>18</sup> Do not remember the former things,  
or consider the things of old.  
<sup>19</sup> I am about to do a new thing;  
now it springs forth, do you not perceive it?  
I will make a way in the wilderness  
and rivers in the desert.  
<sup>20</sup> The wild animals will honor me,  
the jackals and the ostriches;

for I give water in the wilderness,  
rivers in the desert,  
to give drink to my chosen people,  
<sup>21</sup> the people whom I formed for myself  
so that they might declare my praise.

### ***Dream Again***

One stopped on the day she heard him say  
"I don't love you anymore"  
One stopped on the front porch, 6 years old  
Watching dad walk out the door

Open your eyes  
Open your eyes  
And dream again

One stopped when the doctors said,  
"You'll never have a baby of your own"  
And one stopped after two attempts at rehab  
Couldn't help him get control

Open your eyes  
Open your eyes  
And dream again  
Dream again

Your lungs are still breathing  
Your heart is still beating  
The end's where the future begins  
Just open your eyes  
Open your eyes  
And dream again

All your would've beens, your could've beens, your should've beens  
Just give 'em all to me

Take one last look at who you were  
And now let me show you who you still can be

Open your eyes  
Just open your eyes  
And dream again  
Come on and dream again

Your lungs are still breathing  
Your heart is still beating  
The end's where the future begins  
Open your eyes  
Just open your eyes  
And dream again

I know the plans that I have for you  
A hope and a future, a future  
I know the plans that I have for you  
A hope and a future, a future  
I know the plans that I have for you  
A hope and a future, a future  
Yes I know the plans that I have for you  
A hope and a future

Just open your eyes  
Open your eyes  
And dream again

One starts at the altar where "I'll never love again" becomes "I do"  
One starts with a whisper, child, you've always had a Father here with  
you

And one starts with a baby in the backseat that they thought they'd  
never be bringing home

And one starts down on bended knee crying, "Jesus, I finally see, I  
can't beat this on my own"

Open your eyes  
Open your eyes  
And dream again
