

## COUNCIL NOMINEES

**Bob Cannon**

I have been a member of Shepherd of the Hills since the 1980's. My wife Alison and I were married at the church in 1988. We have two sons, Peter and Ben, who are in their 20's and participated in many activities at ShepHills as they were growing up.

I perform often as a trumpet player in the Music Ministry. I have served on the Church Council twice before and have served on various committees over the years. Currently I am a member of the Care Team. I have made a living my whole life as a professional musician, and currently perform in various groups around Austin including Austin Opera. I also teach private trumpet lessons full time at Texas State University and

**Beth Turman**

Greetings to all my ShepHills friends!

I have been a member here since 1981. I was drawn to the congregation because I was looking for a church like the one at home. Loved the Lutheran Student Center but I wanted to be around families. Everyone was so welcoming, and still are to this day!

John joined me in 1985 before we got married and later we welcomed our 3 kids, John IV, Kathryn, and Matt, who were all baptized, confirmed, and active in their youth. I've taught Sunday School, served on the Butterfly Preschool Board, volunteered with youth and BFA, and most recently served on the Pastoral Transition Committee. Currently, I am employed as a Sales Director at Penguin Solutions, and have been in tech

**Megan Hansen**

Hello! I have been a member of ShepHills since 2008 and have actively served on many committees over the years. My husband Keith and I have two boys, Seth and Luke, who are in NextGen and really enjoy the fun camps and trips they take as a group.

I work at Infineon Technologies, a global semiconductor company, in their microcontroller product marketing team, and have 23 years of experience in all things marketing, communications, and product development for semiconductor technology companies. I hold a BS in Electrical Engineering degree from Texas A&M, and a Master's of Science in Engineering Management from the University of Texas.

**Ted Powell**

Hello, my name is Ted Powell. My wife Corky and I joined Shepherd of the Hills in 1995. We are both native Central Texans and were married in Austin in 1987. Our three children – Thomas, Katherine, and Jason – were raised in this congregation.

I have a degree in Business Administration from UT Austin and have worked for approximately 30 years in a variety of management roles with several of the larger tech companies in the Austin area. I feel honored to have the opportunity to serve on this Church Council and look forward to working with the pastors, staff and other council members as we continue to seek God's will for this portion of our faith journey together.

**June Spann**

My husband and I have been members of SOTH for over 25 years.

Our 2 daughters grew up in the church and now our grandson, Ronin, is with us every Sunday while his mom (our daughter Ellen) works a 12 hour shift as a nurse at St. David's South Austin Medical Center. Ronin enjoys Sunday'sCool every week and he especially loves Music with Kevin and singing in the Children's Choir. Joe and I have been married for 43 years. We enjoy year round swimming at Barton Springs Pool, travel, gardening, and doing anything outdoors. We also do volunteer work at the Volunteer Healthcare Clinic. We've been blessed with 3 grandchildren, 2 in Denver, and

## ENDOWMENT NOMINEES

### Nader Ayoub

My wife Debra and I joined ShepHills in December of 2016 and got involved right away with ministries such as Hospitality, Music Ministry, Prepare a Meal Ministry, Campus Clean Up, New Member Shepherds, Choir, Bells, and Ignite Groups. I'm excited to serve on the Endowment Board as part of planning for the future of ShepHills.

Debra and I are parents of two grown children, and love spending time with our granddaughter Sophie!

### Kathleen Maccaulay

I am a Probate, Estate, and Trust attorney by day. At home, I'm a wife to Peter and mother of Patrick (14) and Clara (12). I'm a Boy Scouts supporter, and Girl Scouts troop leader. I call Austin home but love to get away to my family in the windy West Texas town of Amarillo. I am blessed with a Labrador Retriever Linus that steals all my socks, and five silver fox rabbits eating all our veggie trimmings. I am a genealogy nerd that traced my lineage to join the Daughters of the American Revolution, and the Daughters of the Republic of Texas. If I'm not tracking down my own ancestors and tromping around cemeteries, I may be tracking down someone's heirs for an estate.
